WIR BIETEN

Tätigkeit

Arbeit: Invitation "Night of the Companies" (Informatiker/in (Hochschule))

(alternativ: Ingenieur/in - Elektrotechnik, Hochschulabschluss: Nicht relevant,
Softwareentwickler/in, Hochschulabschluss: Nicht relevant);

ein offenes von ursprünglich einem gemeldeten Angebot; Sozialversicherungspflichtige Beschäftigung; Keine Führungsverantwortung

Stellenbeschreibung

REGINA is a combination of more than 100 Aachen-based companies, educational establishments and research institutes. Although competitors in some areas, the mainly small to medium-size enterprises which make up the network have embraced the concept of forming an alliance to bring mutual benefit to all its members. Many of the general tasks they face are dealt with through collaboration within REGINA, in order to prevent unnecessary repetition or duplication of work.

5x5 – Welcome to Aachen again 2013:

For the 2nd time job applicants from European countries are invited to come to Aachen. Are you looking for a job and are you willing to go abroad? Then come to Aachen: we are looking for young professionals in the following areas:

Informatics, Software developing and Engineering

Welcome to Aachen

The imperial city of Aachen is situated in the heart of Europe. Due to its history and the location at the border triangle Aachen is a known tourist attraction. The University of Aachen (RWTH) enjoys worldwide recognition. About 40 000 students of which 5 000 come from abroad live in Aachen and shape the city life: young, multicultural and welcoming.

Simultaneously Aachen is a high-tech region. In more than 1 500 technological enterprises with about 32 000 employees over 100 nationalities are represented.

The Night of the Companies

The occasional event for this invitation is the Night of the Companies which takes place in Aachen on 6th of November 2013. 100 enterprises will open their doors. The applicants will be taken by bus directly to the chosen companies, where they have the opportunity to get to know the potential employers. Parallel, a job fair will take place. A separate bus line will be organized with the individual bus tour for our guest. Further, we offer you the following welcome program: reception with the Lord Mayor of Aachen, a sightseeing tour, a visit to the companies of your choice and a get-together with compatriots who already work in Aachen. Our aim is to find the perfect match: On the one hand you will find a job in which you can contribute as well as improve your knowledge and on the other hand the companies will get high-skilled employees.

5x5 in 2012 – A successful initiative

In 2012 "5x5" was successfully organized for the first time. The results: a 70% job offering rate for the

candidates coming from various countries. Currently, 12 of them are working in Germany, one in the Netherlands and one in a German subcompany in Italy.

Are you willing to find a new job abroad? Then apply for the 5x5-program!

Your profile:

- University graduate in computer studies, electrical engineering, mathematics, physics etc. ...
- Required skills (alternatively):
C/C++, Java Script, HTML, UML, MDA, J2EE
computer networking: W-Lan, TCP/IP-networks, system infrastructures und x86-Hardware, network protocols (TCP/IP, web services)
